He further reports that some members of the Committee represented to him that it is desirable to allow New Kannivais applicants to obtain water connection from the Company in instalments rather than engagement in advance, as no profit document executed by the said applicants is available

In conclusion he says that the document has been drawn up duly executed by the new applicants for instalment of Rs 50/- & the Government grant has been received from the said Committee in the name of the temple

Making certain observations on the institution of a suit against the widow of Mr. Gundappa, for the recovery of a sum of Rs 400 entrusted to him as an endowment to Sri Venu-gopalaswamy [illegible]

Deputy Commissioner's Office,

Kadur District.

Dated, Chikmagalur, the 30th June 1906.

From

Deputy Commissioner,

To

Secretary to the Government of Mysore,

Mazrai Department.

Sir,

Adverting to Government Order No.3486-9 dated 21st January 1906, sanctioning the institution of a suit against one Venkamma, widow of Pleader Mr.Gundappa of Chikmagalur, for the recovery of a sum of Rs.400/-, entrusted to him as an endowment to the temple of Sri Venugopalaswami at Basavanahalli in Chikmagalur, I have the honor to state as follows:-

On the receipt of the said Government Order, I issued a notice to Venkamma to appear and show cause why a suit should not be instituted against her for the ~~Judge~~ recovery of the said sum of money. She appeared by her Pleader Mr.Seshachalaiah and filed a petition praying that on account of the straightened circumstances in which she was often after the demise of her husband and other difficulties in her way, she may be allowed to repay the amount with interest at 6% per annum in 5 years by easy instalments of Rs.80/-, payable in March of each year and agreeing to duly execute a bond to that effect.

Considering that the difficulties represented by Venkamma are real, and that among the papers available in this Office, there is no proper document executed by the late Mr.Gundappa acknowledging in writing the receipt of the said sum of Rs.400/- due to the temple, I have considered it desirable to allow Venkamma's request and obtain a document from her for repayment of the amount by instalments, rather than engaging in litigation about it with
